A Hackamore must use a complete Mecate rein which must include a tie-rein. Absolutely no rigid material is permitted under the jaws, regardless of how padded or covered. Horsehair bosals are prohibited. This rule does not refer to a so-called mechanical Hackamore.
- b) Two Rein. The purpose of the two-rein option is the transition between the hackamore and bridle and can be used on any aged horse all ranch events for one year only. The bit and bosal combination must be approved in accordance with the following.
Only one hand may be used on the reins and hands must not be changed. Any number of fingers between reins will be permitted. Both mecate and bridle reins are to be held in the rein hand. When using two rein equipment, bosals may be of any size, constructed of braided rawhide or leather and have a nonmetal flexible core. No iron or foreign substance may be used. Entries ridden in a Snaffle bit must be shown with both hands on both reins. **Reins must be bridged with the tails of the reins on the opposite side of the neck.**
The rider's hands will be carried near the pommel and no further than approximately 50cm apart. Rider's hands must be steady with limited movement. Failure to comply with this rule will result in disqualification.

- has a shank with a maximum length of 216mm to be measured as indicated in the diagram below.

- Shanks may be fixed or loose the port must be no higher than 90mm maximum, with rollers and covers acceptable. Broken mouthpieces, half- breeds and spades are acceptable. slip or gag bits, and donut and flat polo mouthpieces are not acceptable when using a curb bit, a curb strap or curb chain is required, but must meet the approval of the judge, be at least 12.5mm in width and lie flat against the jaw of the horse. A broken strap or chain is not necessarily cause for disqualification.
- e) Mouthpieces - the bars must be round, oval or egg shaped, smooth and unwrapped metal of 8mm to 20mm in diameter, measured 25mm from the cheek. They may be inlaid but must be smooth or latex wrapped. Nothing can protrude below the mouthpiece (bar), such as extensions or prongs on solid mouthpieces than by no more than 1.6mm.

- g) Except for Hackamore/Snaffle bit classes or junior horses shown with a Hackamore, only one hand must be used on the reins and the hand must not be changed and the index finger only must be between the split reins. Exception: To work a trail obstacle a rider may change hands on the reins, but the index figure only must be between the reins.
- h) Romal is an extension of braided material attached to closed reins. This extension will be carried in the free hand with 40cm spacing between the reining hand and the free hand holding the Romal.
- The rider's hand will be around the reins with the wrists kept straight and relaxed, the thumb on top and the fingers closed lightly around the reins. Fingers between the reins is not allowed. Use of the free hand while holding the Romal to alter the tension or length of the reins from the bridle to the rein hand is considered to be the **use of two hands (except horses shown in a Snaffle bit/Hackamore or where division specific gear rules apply)**, except during the hesitation or settling of the horse. See photo below.

The Romal will not be used forward of the cinch or to signal or cue the horse in any way. Any infraction of this rule will be penalised severely by the Judge.

Riders should practice spins in the middle of circles only. Beginning 2 hours before the show starts and during competition, only riders entered in competition are allowed horseback in warm up areas, no bareback riding and no riding double during that time frame.

- NEVER stop your horse in traffic, and ALWAYS look behind you before you stop or slow down.
- Always look where you are going and watch out for other riders.
- Don't tie horses in the warmup arena.

RANCH RIDING

The purpose of the Ranch Riding horse is to reflect the versatility, attitude, and movement of a working horse. The horse's performance is to simulate a horse riding outside the confines of an arena and that of a working ranch horse. This class will show the horse's ability to work at a forward, working speed while under control by the rider. Light contact will be rewarded, and the horse will not be shown on a full drape of reins. The overall manners and the horse's quality of movement are the primary considerations.

Class Requirements

- a) Each horse will work individually performing required and optional manoeuvres, and will be scored based on 0 to 100, with 70 denoting an average performance.
- b) Each manoeuvre will receive a score that should be added or subtracted, and scored on the following basis:
- c) The required manoeuvres will include the walk, trot, and lope both directions and the extended trot and extended lope at least one direction, (with the exception of walk/trot classes) as well as stops, and back.
- d) Three (3) optional manoeuvres may include a side pass, turns of 360° or more, change of lead (simple or flying), walk, trot or lope over a pole(s), or some reasonable combination of manoeuvres that would be reasonable for a ranch horse to perform.
- e) The manoeuvres may be arranged in various combinations with final approval by the Judge.
- f) The overall cadence and performance of the gaits should be with an emphasis on forward movement, free-flowing, and ground covering for all gaits. Transitions should be performed where designated, with smoothness and responsiveness.
- g) No time limit.
- h) The use of natural logs is **mandatory, painted logs are prohibited.**

Natural ranch horse appearance will also be evaluated ranging from plus 1 ½ to minus 1 ½.

The exhibitor is scored on the quality of each manoeuvre:

- **Excellent +1½. Very Good +1. Good +½.**
- **Correct 0. Poor -½, Very poor -1, Extremely poor -1½.**

Pluses and minuses reflect the smoothness, finesse, attitude, quickness, and authority of the exhibitor when performing the various manoeuvres.

Penalties may be accrued for incorrect manoeuvre execution.

Penalties

A contestant will be penalised each time the following occurs:

1 Point

- too slow (per gait)
- over-bridled (per manoeuvre)
- out of frame (per manoeuvre)
- break of gait at walk or trot for two (2) strides or less

3 Points

- wrong lead or out of lead
- draped reins (per manoeuvre)
- break of gait at lope except when correcting an incorrect lead
- break of gait at walk or trot for more than two (2) strides
- out of lead or cross-cantering more than two strides when changing leads
- trotting more than three strides when making a simple lead change
- severe disturbance of any obstacle.

5 Points

- blatant disobedience (kick, bite, buck, rear etc.) for each occurrence.

Off-Pattern (OP) Placed below horses performing all manoeuvres

- eliminates manoeuvre or adds manoeuvres
- incomplete manoeuvre
- **use of two hands (except horses shown in a Snaffle bit/Hackamore or where division specific gear rules apply)**
- more than one (1) finger between split reins or any fingers between Romal reins (except in the two-rein).

Zero (0) score will not be placed

- illegal equipment including hoof black
- braided or banded manes or tail extensions
- wilful abuse
- major disobedience or schooling
- lameness
- leaving the arena before completing pattern

No specific penalties will be incurred for nicks/hits on logs, but deduction made in manoeuvre score. No specific penalties will be incurred for over/under spins, but deduction may be made in manoeuvre score. Tie Breaker Specific manoeuvres and/or obstacles will be selected by judge prior to start of the class and so noted on score sheets, these manoeuvres will be ranked as first tie breaker, second, third etc.

RANCH ON THE RAIL

The Ranch on the Rail class measures the ability of the horse to be a pleasure to ride and should reflect the versatility, attitude, and movement of a working horse.

The horse should be well-broke, relaxed, quiet, soft and cadenced at all gaits. The movement of the Ranch on the Rail horse should simulate a horse needing to cover long distances, softly and quietly. The overall manners and responsiveness of the horse and the horse's quality of movement are the primary considerations. Maximum credit should be given to the horse that has a natural flowing stride and consistent, ground covering gaits. Transitions should be performed when requested, with smoothness and responsiveness. The ideal Ranch on the Rail horse should have a natural head carriage at each gait. The horse should be ridden on a relatively loose rein with light contact and without requiring undue restraint while being responsive to the rider and making timely transitions in a smooth and correct manner. The horse should be soft in the bridle, yield to contact and shall not be shown on a full drape of rein. Riders are encouraged to use adequate space given the extension of gaits required. This class should show the horse's ability to work at a forward, working pace while under control by the rider. The horse shall be balanced and appear willing and a pleasure to ride in a group situation. This class is open to horses three years of age and older.

Class Requirements:

All exhibitors will work as a group. Individuals working off the rail will not be penalised and passing is permissible. Horses must work both ways of the ring at the walk, trot and lope.

Horses must work at least one way of the ring at the extended trot and extended lope. At the option of the judge,

- Horses may be asked to extend their stride at the walk. The overall cadence and performance of the gaits should be with an emphasis on forward, free-flowing, and ground-covering movement.
- At the extended trot and lope, the exhibitor may post or stand in the stirrups. Touching or holding the saddle horn during any extended gait is acceptable.
- Horses are to be reversed to the inside (away from the rail). They may be required to reverse at the walk or trot at the discretion of the judge but shall not be asked to reverse at the lope.
- Horses are required to back easily and stand quietly.
- Horses may be brought to the center or backed on the rail.
- The rider shall not be required to dismount except in the event the judge wishes to check equipment.

Faults scored according to severity:

- Too slow (any gait)
- Excessive speed (any gait)
- Over-bridled (nose behind the vertical)
- Head carried too low such that the poll is below the withers
- Out of frame
- Head carried too high
- Break of gait
- Wrong lead or out of lead
- Failure to take the appropriate gait when called
- Opening mouth excessively
- Draped reins
- Use of spurs forward of the cinch
- Canted at the lope
- Blatant disobedience (kick, bite, buck, rear, etc.)

Faults which will be cause for disqualification:

Head carried too low and/or clearly behind the vertical excessively and consistently while the horse is in motion, or otherwise showing the appearance of intimidation.

RANCH PLEASURE

The purpose of the Ranch Pleasure class is to measure the ability of the horse to be a pleasure to ride while being used as a means of conveyance from performing one property horse task to another. The horse should reflect the versatility, attitude, and movement of a working horse riding outside the confines of an arena. The horse should be well-trained, relaxed, quiet, soft, and cadenced at all gaits. The ideal ranch horse will travel with forward movement and demonstrate an obvious lengthening of stride at extended gaits. The horse is to be ridden with light contact or on a relatively loose rein without requiring undue restraint, but not shown on a full drape of reins. Overall manners and responsiveness of the **Ranch Pleasure** horse to make timely transitions in a smooth and correct manner, as well as the quality of the movement are of primary considerations. The ideal **Ranch Pleasure** horse should have a natural head carriage at each gait.

Horses will be shown individually, and the class may be conducted inside or outside of an arena. The pattern may be started either to the right or left direction. Show Management has the option to set markers to designate gait changes. If the class is held inside an arena, the course shall be set up to make approximately one pass of the arena in each direction. Any one of the **Ranch Pleasure** patterns may be used or the Judge can provide another pattern if all elements of the class are fulfilled as follows:

- horses will be shown at three (3) gaits. walk, trot and lope in each direction of the arena.
- horses will also be asked to reverse, stop and back.
- the Judge must ask for an extended trot and extended lope at least one direction of the ring.

Credits and Penalties - Part of the evaluation is on smoothness of transitions. A horse may be collected from the extended trot as the horse moves into the lope. The transition from the extended lope down to the trot is a transition to the seated trot not the extended trot. Therefore, an extra cue to achieve this gait is expected. Horses that complete this total transition within three (3) strides calmly and obediently should be rewarded. Horses that attempt to stop or do stop prior to trotting will be penalised. Judges expect to see horses that have been trained to respond to cues. To see these cues applied discretely and the horse responding correctly could be a credit-earning situation.

Natural ranch horse appearance will also be evaluated ranging from plus 1 ½ to minus 1 ½.

The exhibitor is scored on the quality of each manoeuvre:

- **Excellent +1½. Very Good +1. Good +½.**
- **Correct 0. Poor -½, Very poor -1, Extremely poor -1½.**

Pluses and minuses reflect the smoothness, finesse, attitude, quickness, and authority of the exhibitor when performing the various manoeuvres.

Penalties may be accrued for incorrect manoeuvre execution.

Penalties will be assessed as follows:

1 Point

- over-bridled (per manoeuvre).
- out of frame (per manoeuvre).
- too slow.
- break of gait at walk or trot for two (2) strides or less.

3 Points

- wrong lead or out of lead.
- draped reins.
- break of gait at lope, except when correcting an incorrect lead.
- break of gait at walk or trot for more than two (2) strides.
- out of lead or cross-cantering more than two (2) strides when changing leads.

5 Points

- spurring in front of cinch.
- blatant disobedience.
- use of either hand to instil fear/praise

Off-Pattern (OP)

Exhibitors cannot place above others who complete pattern correctly.

- repeated blatant disobedience.
- breaking pattern.
- incomplete manoeuvre.
- eliminating or adding manoeuvres.
- **use of two hands (except horses shown in a Snaffle bit/Hackamore or where division specific gear rules apply)**
- more than one finger between split reins or any fingers between
- romal reins (except in the two-rein).

Disqualification (DQ)

- lameness
- abuse
- illegal equipment, improper western attire
- disrespect or misconduct
- leaving working area before pattern is complete
- fall of horse/rider.

RANCH TRAIL

A Ranch Trail class should test the horse's ability to cope with situations encountered while being ridden through a pattern of obstacles generally found during everyday property work. The horse/rider team is judged on correctness, efficiency, and pattern accuracy with which the obstacles are negotiated, and the attitude and mannerisms exhibited by the horse. Judging emphasis is on identifying the well-broke, responsive, and well-mannered horse which can correctly navigate and negotiate the course.

Course

The Ranch Trail course will include no less than six (6) and no more than nine (9) obstacles. It is mandatory that the horse be asked to walk, trot and lope during the course.

Walk can be part of obstacle score or be scored with the approaching obstacle.

Trot must be at least 12m and score with approaching obstacle. Lope The lope must be lead-specific, at least 17m and score with approaching obstacle. Care must be exercised to avoid setting up any obstacles that may be hazardous to the horse or rider.

Setting Courses

When setting courses, Judge/Management will be mindful that the idea is not to trap an exhibitor or eliminate them by making an obstacle too difficult. All courses and obstacles are to be constructed with safety in mind to reduce the risk for accidents. Show Committee/Judge shall have the option of setting up the trail course to best fit the arena conditions. An outdoor course is recommended if appropriate terrain is available. Each single- performance class can be time consuming, especially with large classes, so it is imperative that time restrictions are placed on this class. The Show Committee/Judge, either through a pilot run or estimation, shall select a course that has a continuous and positive flow that can be negotiated in four (4) minutes or less. The course must be designed using the mandatory obstacles and manoeuvres plus optional obstacles. Combining two or more of the obstacles is acceptable.

Mandatory Obstacles and/or Manoeuvres

- a) Ride over logs on the ground.
 - The formation of the logs will be a straight line, curve or zig zag and can be raised to a height of no more than 30cm.
 - walk, trot or lope may be used but only one gait is required.
 - a maximum of five (5) logs to be used, with a maximum height of 25cm with spacing being:
 - Walkovers - between 66cm to 76cm
 - Trotovers - between 91cm to 107cm
 - Lopeovers - between 183cm to 213cm.
- b) Gate Opening, passing through and closing a hinged swinging gate (not a rope gate). Use gate that will not endanger horse or rider and requires minimum side-passing.
- c) Bridge to be sturdy, safe, and negotiated at a walk only. Heavy plywood lying flat on the ground is an acceptable simulation of a bridge. Suggested minimum width shall be 91cm wide and at least 183cm long.
- d) Backing an L, V, U or zig zag shape or in a straight line. Obstacles are to be spaced at a minimum width of 71cm and if elevated, maximum height must be 61cm.
- e) Side-pass any object which is safe and of any length may be used to demonstrate responsiveness of the horse to leg signals. Raised side pass obstacles should not exceed 30cm.
- f) Drag an object – For Junior Horse, Senior Horse, Open and Amateur divisions only. Drag to be done at the walk or **jog/trot**. Drag may be a complete figure of eight and may begin in either direction. The exhibitor must have the rope dallied on the saddle horn (half or full dally) for the duration of the drag. **NB: No drag in a Snaffle Bit, Youth, Green or Intermediate levels.**

Optional Obstacles

Optional obstacles may be used provided the obstacles can be found in everyday ranch work. Optional obstacles from which selections can be made are:

- a jump obstacle whose centre height is not less than 35cm or more than 63cm high. Holding the saddle horn is permissible for this obstacle
- only live or stuffed animals which would normally be encountered in an outdoor setting may be used but not to be used to spook a horse
- carry object from one part of the arena to another
- remove and replace materials from a mailbox
- jog/trot through cones spaced a minimum of 183cm apart
- cross natural ditches or ride up embankments
- swing rope or throw rope at a dummy steer head
- step in and out of obstacle
- put on slicker or coat
- stand to mount with mounting block

- walk through water obstacle
- open gate on foot
- pick up feet
- walk through brush
- ground tie (hobbles are allowed)
- lead at the jog/trot

Prohibited Obstacles

- tarps
- water obstacles with slick bottoms
- pvc pipe used as a jump or walk over
- tyres
- rocking or moving bridges
- logs elevated in a manner that permits such to roll in a dangerous manner
- painted logs.

Judges must walk the course and have the right and duty to alter the course if it is not in keeping with the intent of the class. Judges may remove or change any obstacles they deem unsafe, non-negotiable, or unnecessarily difficult. Anytime a trail obstacle becomes unsafe during a class, it shall be repaired or removed from the course. If the course cannot be repaired and some horses have completed the course, the score for that obstacle shall be deducted from all previous draws in that class. When a ground tie obstacle is used in Trail, for horses ridden using Romal reins, reins are to be looped over the horn and a get down rope and hobbles are optional.

Pattern must be posted at least one (1) hour prior to competition.

Credits and Penalties

All runs begin upon entering the arena and any infractions are subject to penalty at that time (such as two hands on the reins, using either hand to instil fear or praise, etc.). The rider has the option of eliminating any obstacle, however this will result in being “off pattern” (OP) and the exhibitor will not place above others who have completed the pattern correctly. A Judge may ask a horse to pass on an obstacle after three refusals or at any time for safety concerns.

Credit is given to exhibitors that negotiate the obstacles correctly and efficiently. Horses should receive credit for showing attentiveness to obstacles and ability to negotiate through the course when the obstacles warrant it while willingly responding to rider’s cues on more difficult obstacles. Quality of movement and cadence should be considered part of the manoeuvre score for the obstacle.

Natural ranch horse appearance will also be evaluated ranging from plus 1 ½ to minus 1 ½.

The exhibitor is scored on the quality of each manoeuvre:

- **Excellent +1½. Very Good +1. Good +½.**
- **Correct 0. Poor -½, Very poor -1, Extremely poor -1½.**

Pluses and minuses reflect the smoothness, finesse, attitude, quickness, and authority of the exhibitor when performing the various manoeuvres.

Penalties may be accrued for incorrect manoeuvre execution.

Penalties are assessed as follows:

1 Point

- over-bridled (per manoeuvre)
- out of frame (per manoeuvre)
- each hit, bite or stepping on a log, cone plant or any component of the obstacle
- incorrect or break of gait at walk or trot for two (2) strides or less
- both front or hind feet in a single-stride slot or space at a walk or trot
- skipping over or failing to step into required space
- split pole in lope-over
- incorrect number of strides, if specified
- one to two steps on mount/dismount or ground tie except shifting to balance.

3 Points

- wrong lead or out of lead
- draped reins
- break of gait at lope, except when correcting an incorrect lead
- break of gait at walk or trot for more than two (2) strides
- three to four steps on mount/dismount on ground tie.

5 points

- spurring in front of cinch
- blatant disobedience
- use of either hand to instil fear/praise
- knocking over/stepping out of or falling off an obstacle
- dropping an object required to be carried
- 1st or 2nd cumulative refusal

- failure to open and shut gate, or failure to complete gate.

Disqualification (DQ)

- Lameness, abuse
- leaving working area before pattern is complete
- illegal equipment, improper western attire
- disrespect or misconduct
- Fall of horse or rider

RANCH REINING

The ranch reining class measures the ability of the ranch horse to perform basic handling manoeuvres with a natural head carriage in a forward looking manner. The ideal ranch reining horse should have a natural ranch horse appearance from head to tail in each manoeuvre. Patterns may be chosen from any of the ranch reining patterns or approved by the show management and judge.

Credits and Penalties

All runs begin upon entering the pen and any infractions are subject to penalty at that time such as two hands on the reins, using either hand to instill fear or praise, etc.

To rein a horse is not only to guide him but also to control his movement. The best reined horse should be willingly guided or controlled with little or no apparent resistance. All deviations from the exact written pattern must be considered a lack of or temporary loss of control and therefore a fault that must be marked down according to severity of deviation. The horse/rider team's overall performance should be credited for smoothness, finesse, attitude, quickness and authority of performing various manoeuvres while using controlled speed which raises the degree of difficulty and makes the horse/rider team more exciting a pleasing to watch.

Natural ranch horse appearance will also be evaluated ranging from plus 1 ½ to minus 1 ½.

The exhibitor is scored on the quality of each manoeuvre:

- **Excellent +1½. Very Good +1. Good +½.**
- **Correct 0. Poor -½, Very poor -1, Extremely poor -1½.**

Pluses and minuses reflect the smoothness, finesse, attitude, quickness, and authority of the exhibitor when performing the various manoeuvres.

Penalties may be accrued for incorrect manoeuvre execution.

Penalties

½ Point

- starting a circle or exiting a roll-back at a trot for up to two (2) strides
- delayed change of lead by one stride where the lead change is required by the pattern description
- failure to remain a minimum of 6m from the wall or fence when approaching a stop and/or roll-back
- over-spin or under-spin up to ¼ turn.

1 Point

- over-bridled (per manoeuvre)
- out of frame (per manoeuvre)
- out of lead in the circles, figure eights or around the end of the arena (this penalty is cumulative and will be deducted for each quarter of a circle the horse is out of lead)
- over or under spinning ¼ to ½ turn
- slipping rein.

2 Points

- break of gait
- freeze up in spins or roll-backs
- failure to stop or walk before executing a lope departure on trot in patterns
- failure to be in a lope prior to the first marker on run-in patterns
- failure to completely pass the specified marker before initiating a stop position
- trotting beyond two strides, but less than ½ circle or ½ length of the arena.

5 Points

- spurring in front of cinch
- blatant disobedience
- use of either hand to instil fear/praise.

Off-Pattern (OP)

Exhibitors cannot place above others who complete the pattern correctly.

- breaking pattern
- inclusion of manoeuvre (e.g. over or under-spinning, backing more than two (2) strides, etc.)
- trotting in excess of ½ circle or ½ length of the arena
- repeated blatant disobedience
- **use of two hands (except horses shown in a Snaffle bit/Hackamore or where division specific gear rules apply)**
- more than one finger between split reins or any fingers between romal reins (except in the two-rein).

Disqualification (DQ)

- lameness, abuse
- illegal equipment, improper western attire
- disrespect or misconduct
- leaving arena before pattern is complete
- fall of horse/rider.

RANCH COW WORK

The ideal Ranch horse must also be a cow horse and this class demonstrates and measures the horse's ability to do cow work. Holding the saddle horn is permitted. There is a time limit per exhibitor to perform the work depending on the division and the time begins when the cow is turned into the arena. If the time has not elapsed and the Judge is satisfied that all requirements of the class have been met, the Judge should blow the whistle for the exhibitor to cease work. The Judge may blow a whistle at any time for the exhibitor to cease work for safety reasons. Judges will give credit for what they have seen. Only the Judge may award a new cow to a contestant to replace a cow that will not honour a horse. If the Judge awards a new cow, the exhibitor has the option to refuse the new cow by continuing to work. If the exhibitor accepts the new cow, the time for working the cow will start over. If the exhibitor intends to accept the new cow, the exhibitor must pull up immediately. When multiple Judges are scoring, any one of the Judges may terminate the work or signal for a new cow.

Time Limits

- All divisions are allotted three (3) minutes to complete the work.**
- When there is one (1) minute left, the announcer will announce, "one minute remaining". At end of allotted time the announcer will call "time".

There are three (3) parts to the class:

- boxing
- fence work
- roping *or* circling.

Boxing the Cow: The rider shall ride into the arena, face the cattle entry gate and signal for their cow to be turned into the arena. The cow shall be controlled on the entry end of the arena for enough time to demonstrate the horse's ability to hold the cow. If the cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to demonstrate his horse's ability to drive and block the cow on the entry fence.

Fence Work: After the cow has been controlled on the entry end of the arena, the rider shall set the cow up and drive it down either side of the arena. The cow should be turned on the fence at least once in each direction. The first run for a turn shall be past the half-way mark of the arena. All turns down the side shall be completed before reaching the end fence.

Roping or Circling:

Show Committee are responsible for checking State cattle welfare rules. The exhibitor has the option of circling the cow in the middle of the arena in both directions in lieu of roping.

Open, Amateur or Youth exhibitor may circle or rope the cow but cannot combine the two to get credit for this portion of the run. To rope the cow, the exhibitor must be carrying a rope when the run starts. The exhibitor may pull up after the fence work, take down the rope and proceed to rope and stop the cow. The exhibitor must then rope the cow and bring it to a stop. In the roping portion of the class, two (2) throws are permitted, and the horse will be judged on two (2) manoeuvres: tracking/rating and stopping the cow. It is not necessary that the exhibitor catch to receive a score in the roping portion. **The catch is legal if the cow looks through the loop and the rope pulls tight on any part of the animal.** The rope may be tied on or dallied.

Circling the cow. The exhibitor will manoeuvre the cow smoothly at least 360° in each direction without interference from the fence. The circle's size, symmetry, speed, and relative balance from right and left show control. Tightening the circles down with fast head-to-head speed will be a credit situation. The circles should be completed before the cow is exhausted. Once an exhibitor has committed to circling a cow, if the cow falls no new cow will be awarded. The exhibitor will complete the run by riding around the fallen cow to fulfil circling requirements. In the circling portion of the judging, one whistle will terminate the work and two whistles will award a new cow.

Credits - All runs begin upon entering the pen, any infractions (such as two hands on the reins, using either hand to instil fear or praise, etc.) are subject to penalty at that time.

Credit will be given:

Boxing: for the horse's expression and its 'cow sense' (i.e., making moves with little rider assistance). holding, controlling, and turning the cow. amount of work done. and the degree of difficulty of the work.

Fence Work: for making the first run past the centre of the arena. making turns right on the cow. and controlling a difficult cow.

Roping: for rating and following cow to allow rider the optimal roping position. stopping hard. and staying in the ground during the hold. Credits for each element of Roping range from minus 1½ to plus 1½.

Circling: when the horse works willingly. acknowledges the cow. and gets close enough to the cow to control the circles. Credits for Circling range from minus 1½ to plus 1½ points for each direction.

Penalties will be assessed as follows:

1 Point

- over-bridled (per manoeuvre)
- out of frame (per manoeuvre)
- loss of working advantage

- bringing the cow straight over backwards landing on its back or head with all four feet in the air
- lameness, abuse,
- illegal equipment, improper western attire
- disrespect or misconduct
- leaving arena before run is complete
- fall of horse/rider.

Note: If the open rider runs out of time to rope, there will be no credit for the stop/hold manoeuvre and a five (5) point penalty for failure to catch. Riders may still earn credit for tracking/ rating, control/position and speed/ degree of difficulty.

LIMITED RANCH COW WORK

Exhibitors in the limited amateur and limited youth ranch cow work may only compete in one subdivision of amateur or youth ranch cow work at the same show with the same horse. These subdivisions may not be run concurrently. Example: limited amateur may not run concurrently with amateur.

Content. Limited ranch cow work exhibitors are allotted one minute and forty-five seconds to complete the work. When there is 50 seconds left, the announcer will announce, "50 seconds remaining". At one minute and forty-five seconds, the announcer will call for time. Exhibitors are not required to use all the allotted time but must ride until the judge whistles the end of the run or time expires, whichever occurs first. There are four parts to the work: boxing the cow. setting up the cow and driving it down the fence to the opposite end of the arena. boxing it at the opposite end of the arena, and then driving the cow past the middle marker again. There is no expectation that the exhibitor will make a fence turn, instead the drive down the fence demonstrates correct position and control around the corner.

Boxing the Cow --The rider shall ride into the arena, face the cattle entry gate, and signal for their cow to be turned into the arena. The cow shall be controlled on the entry end of the arena for a sufficient amount of time to demonstrate the horse's ability to hold the cow. If the cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to demonstrate his horse's ability to drive and block the cow.

Set Up Cow, Drive Down Fence to Opposite End of Arena - After the cow has been controlled on the entry end of the arena, the rider shall set the cow up for driving down the side of the arena. When coming out of corner, the horse shall be close enough to cow to demonstrate control with cow against the fence. This distance and control should be maintained for approximately 1/2 to 3/4 the length of arena. Rider will then stop and release the cow and move horse toward center of arena to set the cow up for boxing.

Boxing the Cow at Opposite End of Arena - The exhibitor will regain control or hold the cow at end of the arena to demonstrate the horse's ability to "hold" the cow.

Drive the Cow back down the fence (original side) past the middle marker and continue until the judge blows the whistle to show completion. While boxing the cow at the opposite end, if the rider loses control and allows the cow to cross the center line, the judge will whistle the end of the run. The rider will receive off pattern penalty (OP) for the run.

Credits

All runs begin upon entering the pen. any infractions (such as two hands on the reins, using either hand to instill fear or praise, etc.) are subject to penalty at that time. During Boxing, credit will be given for the horse's expression and its 'cow sense' (i.e., making moves with little rider assistance), holding, controlling, and turning the cow. the amount of work actually done. and the degree of difficulty of the work. Credit will be given during Set Up Cow and Drive Down Fence for rating the cow. blocking the cow with pressure towards the end of the arena. driving the cow with control down the side of the arena. and controlling a difficult cow. Manoeuvre evaluations and penalty applications are to be determined independently. The following penalties will be applied to each occurrence and be deducted from the final score:

Disqualification (DQ)

- lameness, abuse
- illegal equipment
- improper western attire
- disrespect or misconduct
- leaving arena before run complete
- fall of horse/rider.

RANCH CUTTING

This class is judged on the ability of the horse to work a cow by separating it from the herd and holding it to demonstrate the horse's ability to work the cow. A single cow is cut from the herd and the horse must demonstrate its ability to work the cow.

Objective is to cut one or two cows, based on the division, from the herd and work the cow(s) with the assistance of two turn- back riders and two herd holders.

Show Management may supply two herd holders and two turn back riders, or exhibitors may supply their own helpers. If an exhibitor is a herd holder or turn back rider, he or she may use the horse that they are competing on or use a different horse. NB: Announcer to notify when one (1) minute remaining.

Open, Amateur and Intermediate

- a) There will be a two-minute time limit. Each exhibitor must work two head and has the option of ending their run before the two-minute limit or working the full two minutes.

Working more or less than two cows will incur an Off Pattern (OP) score.

Youth and Green Horse

- b) For Youth and Green Horse competition, there will be a one and a half minute time limit. Each exhibitor may work **one cow** and has the option of ending their run before the one and one-half minute time limit or working the full one and one-half minutes. **Working more than one cow will incur an Off Pattern (OP) score.**
- c) Time will begin when a rider crosses a pre-determined and marked timeline prior to entering the herd. The rider will then quietly separate his/her cow from the herd.
- d) Unnecessary roughness or disturbing the herd excessively could result in disqualification.
- e) Ultimate credit will be given to the horses demonstrating excellence in the herd work by committing to, driving, setting up and working a cow in the centre of the arena with minimal disturbance to the herd.
- f) Horses will not be penalised for reining during the cutting portion but should display natural ability.

Scoring: 100 percent will be judged by the horse's ability and performance.

Penalties will be assessed as follows:

1 Point

- over-bridled (per manoeuvre)
- out of frame (per manoeuvre)
- losing working advantage
- toe, foot, or stirrup on the shoulder
- working out of position

3 Points

- cattle picked up or scattered
- spurring on shoulder
- pawing or biting cattle
- back fence
- hot quit.

5 Points

- horse quitting cow
- losing cow
- changing cattle after a specific commitment
- failure to separate a single animal after leaving the herd
- blatant disobedience.

Off Pattern (OP)

- turn tail
- failure to cut two cows (Open and Amateur)
- blatant disobedience
- working more or less cattle than required for division
- use of two hands (except horses shown in a Snaffle bit/Hackamore or where division specific gear rules apply)
- more than one finger between split reins or any fingers between romal reins (except in the two-rein).

Disqualification (DQ)

- Lameness
- abuse
- disrespect or misconduct
- illegal equipment
- improper western attire
- excessive disturbance of herd to the point that exhibitor is asked to leave the arena
- leaving arena before run is complete
- fall of horse/rider.

RANCH ROPING

Exhibitors are permitted to hold romals and tail in one hand. If exhibitor chooses to show this way they must enter the arena with reins in one hand and are not allowed to touch rein with off hand at any time during the class. Exhibitor may show in romal, split or one-piece reins. No tie-downs or martingales etc. may be used in this class.

- a) The intent of this class is to show the ability of the horse and rider skill of handling cattle as if they were doctoring injured or sick cattle. Cattle should be handled as calmly and slowly as possible. The judge should judge this class as if the cattle belonged to him or her. Entry does not have to separate their cow from herd and should not receive credit for separation from herd. When cow is separated from the herd there should be no excessive running or cutting of the cow.
- b) This is a judged event with a 90 second time limit. Scoring is from 0 – 100, 70 denotes an average score. The rope must be thrown and the contestant may throw only two loops. Any attempt by exhibitor to trap, snare, or collar cow by holding onto the loop will be cause for disqualification. A second rope may be used, but the total number of loops thrown may not exceed two (2). If a second loop is used it must be recoiled. The Honda on the rope used must be of a factory plastic breakaway design.
- c) Horse and rider must start from behind a starting line which will be located 1/3 of the arena length away from where ten (10) calves are held as a herd with each bearing a number 0 - 9. A random draw will be used to select the calf to be roped, and will be announced to the contestant when the horse crosses the starting line.
- d) Each contestant may have the option of using one (1) herd holder. The herd holder may cross the starting line. The sole duty of the herd holder is to assist in holding the cattle at the working end of the arena.
- e) The contestant must make a legal catch of the designated calf and dally up. A legal head catch is a loop that goes completely over the calf's head and honda can be broken by any part of the calf's BODY, BUT must go over the calf's head first. When the calf breaks free from honda, the Flag Judge will signal the end of the run.
- f) In youth division classes, only the youth exhibitor at their discretion may have their ropes tied to the saddle horn instead of dallying or they may dally.

- g) After catching, it is desired for the horse to remain facing the cow until the honda breaks. Turning away from the cow to make the honda break quicker will receive a 5 point penalty.

RANCH BOXING

Boxing consists of single cow work (boxing) on the end of the arena. The goal of this class is to introduce the rider to the "boxing" phase of the cow work. Judging begins when the contestant enters the arena.

There will be no schooling between cows if a new cow is awarded. Each contestant upon receiving a cow in the arena will hold that cow on the prescribed end of the arena for fifty (50) seconds, demonstrating the ability of the horse and rider to control the cow. It is legal to hold the reins and Romal in one hand (rein hand) while boxing the cow. Time will begin when the gate closes behind the cow after being let into the arena. The Announcer or Judge will signal the completion of the fifty (50) seconds with a whistle or horn.

Scoring will be based on 60 - 80, with 70 denoting an average performance. The Judge may blow the whistle at any time to terminate the work. A score of zero (0) will be given if the work is not complete at that time. Each work will be limited to 50 seconds and, the Judge may request additional work at his/her option.

RANCH PROSPECT LUNGELINE

LUNGE LINE Yearlings and two (2) year old only

The purpose of showing a horse on a lunge line is to demonstrate that the horse has the movement, manners/expression/attitude, and conformation to become competitive under saddle.

This class defines what it means to be a "Ranch Prospect". Yearlings are not expected to demonstrate the behaviour or quality of a finished show horse, but only that performance necessary for a reasonable presentation to the Judge.

Therefore, the purpose of this class is to reward: quality of movement, manners, expression, attitude and conformation suitable to future performance and the horse is to be judged with its suitability as a future performer under saddle in mind.

Class Format

The class consists of two (2) sections and must be judged in the following order:

First Section

Conformation/Equipment Inspection – Each horse is to be inspected by the Judge on conformation, proper equipment and for evidence of abuse and inhumane treatment. Each exhibitor will walk into the arena to the Judge and halt for evaluation.

Horses will then trot off straight and around a cone and take a place on the wall inside the arena.

All entries will be inspected in this fashion and as the “trot-off” is administered, horses showing levels of lameness will be excused from the class at that time.

Second Section

Lunging Demonstration – The Judge will stand outside the lunging circle.

The lunging demonstration will begin at the sound of a whistle or other audible indicator when the horse has reached the perimeter of the circle. Time will not begin before the horse reaches this perimeter.

When the “begin” signal is given, the exhibitor will be allowed 1½ minutes to present the horse at all three (3) gaits in both directions.

At the end of the 1½ minutes, the signal will be given to signify the end of the demonstration. Show management has the option of adding a “half-way” signal if they choose.

At the completion of their 1½ minutes the entry will retire from the lunging area and walk to the end of the arena. The horses are to stand quietly, on the wall, whilst the other exhibitors present their horses. Exhibitors can begin work in the direction of their choice (counter or clockwise).

Equipment

- a) Horses are to be shown in a plain working halter and plain lunge line.
- b) For the lunging demonstration, the only attachment allowed to the halter is the lunge line. Lead (leather, nylon, soft rope or mecate) is attached with a clip or leather strap to be fastened to the halter underneath the jaw of the horse. The use of a lunge whip is permissible
- c) Minimum length of the lead to be six (6) metres and must not exceed nine (9) metres.
- d) The lunge line must hang free from the halter without touching any part of the horse.
- e) No other equipment is allowed on the horse during the class. Mechanical or retractable lunge lines are not permitted.
- f) Only movement, manners/expression/way of going and conformation are being judged.

Attire

Conventional western attire is mandatory. The type of attire worn by the exhibitor is not to be a consideration in placing the horse if the attire meets the requirements stated above.

Gaits are to be judged according to the AQHA rules for Ranch Riding and Ranch Pleasure.

An exhibitor can show more than one (1) horse in a class providing the same handler exhibits the horse in both parts as described in Rule

Class Format. Other than in the execution of Rule 92.2, the exhibitor must have a handler correctly attired for this class, to hold any additional exhibit in the arena while awaiting finalisation of the class.

Scoring

Movement will count for 34 points of the total score. Judges are to evaluate movement based on the gaits

- a) Walk will be scored on a scale of 1 to 3 in each direction, with 2 being average. The horse must be walked long enough for the judge to have enough time to evaluate and score the walk. The change of direction turnaround at the walk may count for the second walk score on the official score sheet. Lower gait scores should reflect stumbling in the gait.
- b) Jog/Trot will be scored on a scale of 1 to 7 in each direction. Using a 7.5 m radius, the horse is to jog or trot a minimum of half (1/2) a circle both directions of the ring. Lower gait scores should reflect stumbling in the gait.
- c) Lope or Canter will be scored on a scale of 1 to 7 in each direction, with four (4) being average. Using a 7.5 m radius, the horse is to lope or canter a minimum of one (1) full circle both directions of the ring. Furthermore, any entry that fails to demonstrate the correct lead for one (1) full circle will not place over another entry that has demonstrated the correct lead in its entirety. Lower gait scores should reflect stumbling in the gait.
- d) Use of Circle - Scores for all gaits in both directions should reflect positive, consistent use of the radius of the circle. Extra credit will be given for full, extended use of the circle on a slightly loose line. Lower gait scores should reflect lack of full use of the circle.

Manners/Expression/Attitude will count for up to 14 points of the total score. Horses will be penalised for obvious signs of overwork and sourness such as ear-pinning, head-throwing, striking, tail wringing, or a dull, lethargic manner of going. Horses will also be penalised for dangerous behaviour such as excessive bucking, cutting into the circle, or running off. Additionally, incidental touching the horse with the whip, cross-cantering, balking, backing up on the lunge line and excessive urging from the exhibitor will be penalised accordingly.

Conformation will count for up to 6 points of the total score, using a scale of 1 to 6. The horse will be judged on conformation suitable to future performance as a Ranch Horse competitor. The judges are to look for a total picture, emphasizing balance, structural correctness, and athletic capability.

Use of the circle – overall score

Consideration will be given to how well or how poorly the horse/exhibitor team uses the 7.5 m radius of the lunging circle. A separate box on the scorecard is available to indicate an overall score, from 1 to 3 points, for use of the circle.

Circle Scores

It is the Judge's responsibility to evaluate the circles and incorporate use of the circle in the gait scores based on the following scale:

3 points Good to Excellent Use of the Circle

- horse consistently stays on the perimeter of the circle with slight looseness in the line. Horse turns around on the circle perimeter

2 points Average use of the circle

- horse is only slightly inconsistent in using the 7.5 m radius of the circle

1 point Adequate use of the circle

- horse is shown in a circle radius of less than 7.5 m

0 points General use of the circle

- potentially dangerous slack in the line
- horse pulls exhibitor out of the circle.

Penalties

5 point penalty per direction:

- failure to walk a minimum of two (2) horse lengths
- failure to jog/trot a minimum of a quarter of a circle
- failure to demonstrate the correct lead, for a minimum of a quarter of a circle

Disqualification DQ: Evidence of lameness the Judge will immediately excuse horse from the arena.

- blatant striking horse with the whip during the lunging demonstration that will cause forward or lateral movement
- fall to the ground by horse. A horse is deemed to have fallen when its shoulder and/or hip and/or underline touches the ground
- horse steps over or becomes entangled in the lunge line
- improper equipment, evidence of abuse, or other violation of AQHA rules
- failure to show at all three gaits in both directions
- exhibitor shows disrespect towards the Judge
- anytime the horse becomes detached from the handler
- failure to complete trot off for soundness in three attempts
- failure to ever demonstrate correct leads and/or gait as designated

RANCH PROSPECT TRAIL

- remove and replace materials from mailbox.
- side pass – diameter of pole is maximum height of 15cm.

- **any other safe and negotiable obstacle which could reasonably be expected to be encountered on a trail ride and meets the approval of the Judge can be used.**
- **a combination of one or more of the obstacles is acceptable.**

RANCH CONFORMATION

The purpose of ranch conformation is to preserve the ranch horse type, by selecting well-mannered horses in the order of their resemblance to the breed ideal and that are the most positive combination of balance, structural correctness, and movement with appropriate breed and sex characteristics and adequate muscling. The ideal Ranch conformation horse should have a natural ranch horse appearance from head to tail.

- The Ranch conformation class must be held after the conclusion of the other events.
- To be eligible to compete in the Ranch Conformation class the horse must be shown in at least one ridden class in division on the day of the show.
- Stallions, geldings and mares are exhibited in the same class. Exception: Youth – geldings and mares only.

At the cone, the horse will continue trotting, turn to the left and trot toward the left wall or fence of the arena. After trotting, horses will be lined up head to tail for inspection by the Judge. **Horses that fail to trot after 3 attempts will be disqualified. Judges may ask a competitor to trot their horse again if inadequate distance or soundness is at question.**
- The Judge shall inspect each horse from both sides, front and rear and place the horses in order of preference.

Each Judge is to refrain from using their official status to further one's own personal or financial purpose. If such a horse as specified is entered in a show, its entry fee will be refunded, and it is not to be exhibited.
- h) These specified areas of disqualifying conflict of interest are not exclusive and Association Judges are ineligible to judge another's horse in other situations not designated by the rule.
- i) If a Judge cannot exercise their objective influence, because of their connection with an owner, exhibitor, or anyone else connected with the horse, or, for that matter, if such connection would appear to others as possible bias, whether or not the Judge feels that they would be affected, a Judge must disqualify themselves.
- j) The Judge at any show may also be on any sifting or elimination committee necessary.
- k) After a Judge has accepted a judging assignment, exhibitors will not contact, by any means, nor attempt to contact, the Judge pertaining to their judging of any horse at that show
